Robert Daguillard	I'm a reporter for Law360 and I'm writing a story about the Animas River spill. Would it be possible to see if you have any information on the general state of tailings dams and mines. How many such storage facilities are there?	STATEMENT - Gold King Mine Release E
Robert Daguillard	Wanted Media Call Info	Info given
Robert Daguillard	I'm a reporter at TIME. Just following up on a voice message I left a few minutes ago. Could you please provide me with an update on the Gold King Mine spill?	Just contact info
Robert Daguillard	I hope this note finds you well. My name is Sarah McHaney, I am a producer at NBC News. I wanted to reach out as we are interested in inviting an EPA guest to talk about the general state of tailings dams and mines. How many such storage facilities are there?	What is the EPA's assessment of the impact so far with regards to fish and wildlife?
Robert Daguillard	A reporter from the Sacramento Valley Mirror, a weekly newspaper, is asking whether the EPA has an updated assessment of the amount of mine wastewater that was released into the Animas River.	Does EPA have an updated assessment of the amount of mine wastewater that was released into the Animas River?
Robert Daguillard	Finally, I was told there is a press call with media today with updates about the spill.	Hope this finds you well. I am a health and environment reporter, currently writing about the Animas River spill for Newsweek, and I'm wondering about the following: 1. Is the mine still leaking or has it been plugged again? 2. Does the EPA have any information on the amount of mine wastewater that was released into the Animas River?
Robert Daguillard	Wanted to be on Media Calls	Does EPA have a comment on last week's report?
Robert Daguillard	Wanted press call info	Would Gina McCarthy be available to join us in the 1pm ET hour on CNN tomorrow?
Robert Daguillard	I am a reporter working for Outside Magazine on a story about abandoned mines in Colorado. We are in Durango now. Any chance of getting someone on camera today?	Given
Melissa Harrison	Do you happen to have the prepared remarks of Gina's opening statement on the Colorado River?	I am a reporter working for Outside Magazine on a story about abandoned mines in Colorado. We are in Durango now. Any chance of getting someone on camera today?
Robert Daguillard	The Region 8 Office is unable to tell me if today's 3 p.m. MT press update will be available.	Do you happen to have the prepared remarks of Gina's opening statement on the Colorado River?
Julia Valenitne	Here are the main things we're looking for:--how many mines are currently on the Colorado River?	The Region 8 Office is unable to tell me if today's 3 p.m. MT press update will be available.
Robert Daguillard	1. Is the mine still leaking or has it been plugged again? 2. Does the EPA have any information on the amount of mine wastewater that was released into the Animas River?	Here are the main things we're looking for:--how many mines are currently on the Colorado River?
Robert Daguillard	He asked if we have an EPA representative on site and if an updated report is available.	1. Is the mine still leaking or has it been plugged again? 2. Does the EPA have any information on the amount of mine wastewater that was released into the Animas River?
Robert Daguillard	Also looking for a contact on the ground who could alert us to media opportunity's or in the area.	He asked if we have an EPA representative on site and if an updated report is available.
Robert Daguillard	My name is Becky and I work for the public radio program, Science Friday. I am working on a story about the Gold King Mine spill.	Also looking for a contact on the ground who could alert us to media opportunity's or in the area.
Robert Daguillard	On another note, do you know what kind of fines a private company or other agency faces for polluting the Animas River?	My name is Becky and I work for the public radio program, Science Friday. I am working on a story about the Gold King Mine spill.
Robert Daguillard	I'm hoping to get an update on the latest on the Animas River spill – where the plume is headed and what is being done to contain it.	On another note, do you know what kind of fines a private company or other agency faces for polluting the Animas River?
Robert Daguillard	We would like to have someone from the EPA on our show 8/18 at 11 am mountain time.	I'm hoping to get an update on the latest on the Animas River spill – where the plume is headed and what is being done to contain it.
Robert Daguillard	Please give me a call at your earliest convenience at 406 696 4213.	We would like to have someone from the EPA on our show 8/18 at 11 am mountain time.
Robert Daguillard	I was wondering if either of you could give me a quick call today, Tuesday, in Las Vegas.	Please give me a call at your earliest convenience at 406 696 4213.
Robert Daguillard	All, please add me to the press list for the daily Colorado news conference.	I was wondering if either of you could give me a quick call today, Tuesday, in Las Vegas.

~~the general response: the August 2015 EPA investigation of the Gold King Mine spill~~

nd me the latest news releases on the subject? Thank you!

out the Colorado River – for our **1030am** show this morning. I realize this is an incredibly last minute requ are there across the country? How does the EPA monitor the maintenance and condition of mines and dams that a go. Just want to see if I can get the latest from the EPA on the contamination.

r at the PBS NewsHour. We are doing a segment tonight on the Animas River in Colorado and the active s and on drinking water. When will the water hit Lake Powell? Will this spill have an impact on drinking water and agr **ther there are any plans to file any criminal charges in response to the “obviously criminal” Gold King Mine inci**s spilled into the Animas River on August 5? New reports are saying it is around 3 million gallons but is there any up ill. How do I listen in on that call? I cannot seem to find anything on Region 8's website or the main EPA website ab working on a story for VICE News on the Colorado gold mine wastewater spill. I was wondering if it would he implications of the spill for the EPA under CERCLA. Will EPA be liable for the spill under CERCLA, or how does CE

ine by an EPA cleanup crew? I'm working on a story that looks at potential implications under CERCLA. Deadline is 5 omorrow to talk about the Colorado toxic spill? The interview will be about 5-6 minutes one on one with o

n the West and their impact on waterways, wildlife and public health. I was hoping you or one of your colleagues a ? Would take just 5-10 minutes

leanup in CO? I didnt start recording until right after and wanted to double check something.

on the Animas River spill is a live photo opportunity or a phone/online update only? If the press con National Priorities List? Can we get a list of those or is there a way to search on the Superfund website? Here are th ve an estimate yet on the number of people affected by the spill?
